Response to Request for Additional Information dated January 27, 2006

RE: Amended November Monthly Report for Activity 10/1/05 through 10/31/05

- 1) The Libertarian National Committee's (LNC) current 'Best Efforts' procedures for ascertaining contributor information result in from 87% to 90% compliance from contributors. The Committee requests address, employer, and occupation information from all contributors whose yearly aggregate contributions exceed \$200.00 and informs them of the requirement of complying with 11 CFR 104.7(b)(1). In the event that the information is not supplied as a result of the initial request, Committee makes a subsequent attempt to collect the information by mail, email, or telephone contact within 30 days of the initial contribution. If the information is submitted after the initial monthly report is filed, the contributor master file is updated and the information is corrected in a subsequent amendment. The Committee also makes periodic requests during the year for all contributors to update their contact information and for contributors whose yearly contributions aggregate to more than \$200 to update their Employer/Occupation information. The Committee has addressed the Schedule A Supporting Line 11a(i) entries cited in the request for additional information.
- 2) We are also submitting an amendment to reflect the change in Debts and Obligations owed by the Committee at the end of the period arising from the changes in the September, 2005 monthly report.
